ARTIFICIAL PLANT WALL

Artificial plant wall is designed to provide you with a green wall solution. No matter you need to hide an unsightly retaining wall, cover a concrete wall, or simply create a beautiful plant background for a room or garden, all your purposes can be achieved by using artificial plant walls.

LRGrass can offer artificial plant walls in a variety of sizes and flower patterns to provide your place with the same experience as real plants. Artificial plant walls are widely used in both indoor and outdoor decoration due to its easy maintenance and cleaning characteristics.
